# Amboseli National Park

We're thrilled that you chose to go on safari with us, and now is the moment when all of the planning pays off and your safari dreams begin to come true. You'll meet our team, we'll explain what happens next and answer any questions you might have. Then all that's left to do is go and start this safari trip of a lifetime together.

Amboseli may be smaller than many other Kenyan parks, but it packs a lot into a very small space. For starters, the views here are astonishing because Africa's highest mountain, Mt Kilimanjaro (5895m), looms over the park to the south. Best of all, the mountain provides a backdrop to many fantastic wildlife sightings that almost always include elephants with big tusks, as well as lions, cheetahs, hyenas, zebras, buffaloes, giraffes, wildebeests and gazelles. Birders can also look for the park's 420 different recorded species.

## Nairobi

You'll love the warm light and cooler temperatures as we take you out to explore on your evening game drive. This time of day is when both predators and prey are most active and it can feel as though anything could happen at any moment. This is when you'll most enjoy being on safari.
