Masai Mara National Reserve

You've been dreaming of your safari for so long and now it's finally about to begin. You'll meet your guide who will tell you everything you need to know to get your safari started. We're as excited as you are to get your trip underway.

Kenya has some incredible wildlife destinations, but the Masai Mara National Reserve may well be the best of them all. This classic East African landscape of savannah grasslands, rolling hills, acacia woodlands and distant escarpments is itself impressive. But it's also the backdrop to one of the densest concentrations of wildlife on the planet. The Mara is known for its big cats, and this is certainly one of the best places to see lion, leopard and cheetah. You're almost guaranteed to see elephant, giraffe, buffalo, Thomson's gazelle, hippo, wildebeest and zebra, while black rhinos are possible in the Mara Triangle. And that's just the start. The Masai Mara is home to over 500 bird species too.
