Lake Nakuru National Park

After all the time you've spent planning and dreaming about going on safari, this is where it finally starts. Your guide will meet you and explain everything you need to know and answer any questions you might have. And then we'll go out on safari together.

You'll be visiting Lake Nakuru National Park, and it's a brilliant park to visit. There are so many highlights to look forward to. When it comes to wildlife, there are tree-climbing lions, endangered Rothschild's giraffes, and flamingos in varying numbers on the lake. This is also one of the best parks in Kenya for seeing both black and white rhinos. It's a beautiful park as well, with amazing views from the Out of Africa Lookout (some scenes from the 1985 film of the same name were filmed here), as well as waterfalls, acacia woodlands and pretty lake panoramas.

Nairobi

Get a taste of Kenyan life in Nairobi, with its wildlife, restaurants, nightlife and shopping.

Evening Game Drive, Lake Nakuru National Park

You'll love the warm light and cooler temperatures as we take you out to explore on your evening game drive. This time of day is when both predators and prey are most active and it can feel as though anything could happen at any moment. This is when you'll most enjoy being on safari.

You'll be visiting one of the best safari parks in Africa when you come to Amboseli. The park is filled with big-tusked elephants, and Mt Kilimanjaro, Africa's highest mountain (5895m), looms over Amboseli. This combination makes for some fantastic photos, especially when the clouds clear over the summit as they do most days around sunrise and sunset. You also have a good chance of seeing lions, cheetahs, hyenas, zebras, buffaloes, giraffes (out in the park's east), wildebeests and plenty of gazelles. The park is also terrific for birding, with 420 species recorded.
