Masai Mara National Reserve

Your safari starts here, and we're as excited about getting going as you are. We're really looking forward to meeting you, introducing you to your guide, and taking you out on the first steps of your safari.

Many travelers fall in love with the Masai Mara National Reserve at first sight, and it's really easy to do. Here you can go looking for big cats, elephant, giraffe, hippo, buffalo, wildebeest, zebra and more (including black rhinos in the Mara Triangle). Birders come because more than 500 species have been recorded in the Mara. And best of all, you get to do it all across one of Kenya's best examples of classic safari terrain. The Masai Mara is a wonderful world of endless savannah grasslands, acacia woodlands and rolling hill country rising to the escarpments that line the reserve's perimeter. The Mara also lies in the heart of Maasai country.
