Masai Mara National Reserve

Going on safari once in the Masai Mara is a privilege, but you get to return to this special place and enjoy it all over again.

Early Morning Game Drive, Masai Mara National Reserve

Put on some warm clothes and enjoy an early morning game drive. This is the perfect time to experience the wildlife and the landscapes they inhabit. The light is soft and warm – perfect for photography – and most animals are out and about, and active. If you're not an early riser, you'll definitely want to make an exception here.

View the great migration, Masai Mara National Reserve

Watch as wildebeest, zebra and other wildlife fill the horizon when we take you to see the great migration. It's an astonishing experience, one where the numbers of animals must be seen to be believed. There's always a chance of action whenever predators arrive on the scene.

Evening Game Drive, Masai Mara National Reserve

You'll love the warm light and cooler temperatures as we take you out to explore on your evening game drive. This time of day is when both predators and prey are most active and it can feel as though anything could happen at any moment. This is when you'll most enjoy being on safari.

Enkorok Mara Camp

Tented camp | Just outside Masai Mara National Reserve

In the Masai Mara's Siana Conservancy, Enkorok Mara Camp has pretty mountain views, and wildlife (including elephants) often wanders through camp. The tents here are large and help you to feel both secure and a part of the local environment: listen to lions roaring in the night. It's in a quiet area, and you'll eat well too.

You'll be visiting one of the best safari parks in Africa when you come to Amboseli. The park is filled with big-tusked elephants, and Mt Kilimanjaro, Africa's highest mountain (5895m), looms over Amboseli. This combination makes for some fantastic photos, especially when the clouds clear over the summit as they do most days around sunrise and sunset. You also have a good chance of seeing lions, cheetahs, hyenas, zebras, buffaloes, giraffes (out in the park's east), wildebeests and plenty of gazelles. The park is also terrific for birding, with 420 species recorded.
